OFFICE OF LEGISLATIVE COUNSEL

Friday - 6 March 1970

1. (Confidential - LLM) In response to his request of yesterday, advised J. Sourwine, Chief Counsel, Senate Internal Security Subcommittee, that Raya Kiselnikova had defected to the Mexican Government. I told him we would note the Subcommittee's interest against the unlikely possibility of a change in the situation and he was thankful for the consideration. Mr. Bob Davis, Chairman, IDC, said he would make an appropriate notation in the file.

2. (Confidential - GLC) Marian Czarnecki, on the staff of the House Committee on Foreign Affairs, called and asked if we would review two reports which have come to Representative Dante Fascell's (D., Fla.) attention and which he had asked to have referred to us. One of these has to do with the arrival of "mysterious cargo from the Soviet Union" in Cuba and the other has to do with the recent Cuban confiscation of a private boat, the Jocelyn Sea. These reports were picked up from the Foreign Affairs Committee and have been forwarded to [REDACTED] in OSR for review. 25X1A

3. (Secret - JGO) Received a call from Mr. [REDACTED], Office of Security, who inquired whether this office ever arranged a briefing on Radio Free Asia and Chinese Communist radio facilities and jamming capabilities, for Mr. Nathan Cohan and Mr. Hilliard (last name unknown.) The briefing ostensibly would have been at the request of Representative John Dowdy (D., Texas). OLC files, CA staff and China Operations [REDACTED] have been checked and no record was found of such a briefing. Mr. [REDACTED] has been advised.

4. (Unclassified - JGO) Talked to Representative Spark Matsunaga (D., Hawaii) and provided the local temporary Washington address of Mr. and Mrs. [REDACTED]. Representative Matsunaga was most appreciative of Agency assistance provided in this matter.
